

TRANSFER GUIDE

AS Engineering Technology transferring into BS Civil Engineering

| Rend Lake College Courses | | | |
|---|-------------------------------------|-----------------|--------------------------------------|
| AS Engineering Technology – 72 hours | | | |
| COMM 1101-3 | Prin of Effective Speaking | Elective-4 | IAI Life Science |
| ENGL 1101-3 | Rhetoric & Composition I | ENGG 1101-4 | Engineering Graphics |
| ENGL 1102-3 | Rhetoric & Composition II | MATH 2122-5 | Calculus & Analytic Geometry II |
| MATH 1121-5 | Calculus & Analytic Geometry I | MATH 2123-4 | Calculus & Analytic Geometry III |
| ECON 2102-3 | Principles of Economics II (Micro) | MATH 2130-3 | Differential Equations |
| Elective-3 | IAI Social & Behavioral Science* | PHY 1103-5 | University Physics I |
| PHIL 2101/2104-3 | Logic/Ethics | PHY 1104-5 | University Physics II |
| CHE 1103-5 | Inorganic Chemistry I | PHY 2101-3 | Statics |
| CHE 1104-5 | Inorganic Chemistry II | PHY 2102-3 | Dynamics |
| Elective-3 | IAI Fine Arts | | |
| Southern Illinois University Carbondale Courses | | | |
| BS Civil Engineering (CE) – 64 hours | | | |
| BIOL 202-2 | Human Genetics & Human Health | CE 340-3 | Structures |
| ENGR 350A-3 | Mechanics of Materials | CE 418-3 | Water & Wastewater Treatment |
| ENGR 351-3 | Numerical Methods in Engineering | CE 421-3 | Foundation Design |
| ENGR 370A-3 | Fluid Mechanics | CE 442-3 | Structural Steel Design |
| CE 251-1 | Intro Prob & Stats for Engineering | CE 444-3 | Reinforced Concrete Design |
| CE 263-3 | Basic Surveying | CE 474-3 | Water Resources Engineering |
| CE 301-2 | Intro Resource Sustainability in CE | CE 495A-3 | Civil Engineering Design |
| CE 310,310L-4 | Environmental Engineering w/Lab | CE 495B-3 | Civil Engineering Design |
| CE 320,320L-4 | Soil Mechanics w/Lab | CE Tech Elec-12 | Select from list of approved courses |
| CE 330-3 | Civil Engineering Materials | | |
| Total Hours to Bachelor Degree: 136 Hours | | | |

*Work with RLC Advisor to meet Multiculturalism Requirement **Questions? Contact Us!**

Salary Range: \$50,000-\$90,000

Possible Careers: Staff Engineer
Junior/Senior Engineer
Site Engineer
Project Manager
Consulting Engineer
Project Engineer
Principal Engineer

Rend Lake College

Jena Jensik
Dean of Enrollment Services
P: 618-437-5321, ext. 1293
E: jensikj@rlc.edu

Southern Illinois University Carbondale

Prabir Kolay, Program Director
Civil Engineering
P: 618-453-7843
E: pkolay@siu.edu

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college, [must attend an eligible community college](#), and [must select a participating SIU major](#). Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
