REND LAKE COLLEGE
**Career Technical
Exploration Camps**

June 16-18, 2025

COMPUTER SCIENCE & GRAPHIC DESIGN

9:00 AM - 2:00 PM • June 16

This camp blends art, design, and technology to develop visual communication skills through hands-on projects and challenges. Campers will also explore cybersecurity topics like public WiFi risks, VPNs, and Man-in-the-Middle attacks. Plus, they'll get hands-on experience flying professional drones, capturing stunning photos and 4K video!

CULINARY & BUSINESS CAMP

9:00 AM - 2:00 PM • JUNE 16

Join RLC culinary and business instructors for our "Bake It Big" challenge! We will be turning the kitchen and classroom into a mini-culinary business incubator. Students will be challenged to develop, finance, create, market, and learn to sell their baked goods!

COSMETOLOGY & ESTHETICS CAMP

9:00 AM - 2:00 PM • JUNE 17

Discover the basics of skin care, make-up, nail care, and hair care. Students will explore Studio RLC and learn about the importance of self-confidence, social skills, and general hygiene in this one day camp.

MANUFACTURING & CULINARY CAMP

9:00 AM - 2:00 PM • June 17

Join us at the Southern Illinois Manufacturing Academy for a sweet, hands-on experience where manufacturing meets culinary creativity! Step behind the scenes to see how chocolate is made, explore equipment, and learn about quality control. This unique camp is perfect for young chocolatiers and future manufacturers who want to explore the magic behind chocolate production.

AGRICULTURE & AUTO CAMP

9:00 AM - 2:00 PM • June 17

Do you want to work with crops, soils, tractors, or heavy equipment? Join us as we explore the new and exciting ways technology is changing the way we farm and work on vehicles of all kinds. Tour the Agronomy Innovation Center and Auto Lab during this camp to learn how your career can grow in agriculture and automotive!

HEALTH CARE CAMP

9:00 AM - 2:00 PM • June 18

Learn about the many different health care fields including Emergency Medical Services, Radiology, Nursing, Medical Coding, Phlebotomy, and Medical Assisting.

TRUCK DRIVING, HEAVY EQUIPMENT, & WELDING CAMP

9:00 AM - 2:00 PM • June 18

At this camp, you'll gain real-world experience and technical skills, working alongside industry professionals who are dedicated to helping you succeed. Whether you're interested in hitting the open road as a truck driver, learning to weld for construction or manufacturing jobs, or mastering heavy equipment for a career in agriculture or construction, we have you covered. Please wear closed toe shoes. Safety glasses will be provided.
